

JOSHUA LIM

UI/UX Designer

I am inspired to be a UI/UX designer currently studying Infocomm Technology at Ngee Ann Polytechnic, Diploma in Immersive Media. I love all parts of creative process and learning new skills. I work meticulously and always seek to improve myself.

SKILLS

EDUCATION

Ngee Ann Polytechnic
From APR 2020 - APR 2023

Diploma in Immersive Media

Understand user experience and user interface (UI/UX) design as well as 3D modelling and texturing and game development

ITE College West
From APR 2018 - FEB 2020

Higher Nitec in Cyber & Network Security

This taught me how to build and configure basic networking devices and apply security measures when there is a vulnerability

ITE College West
From JAN 2016 - APR 2018

Nitec in Computer & Networking

I gained useful knowledge on how to identify the various network topologies and protocol and troubleshoot network connectivity faults

Greenridge Secondary
From JAN 2013 - DEC 2016

GCE 'N' Level

I learned advance Mathematics, English, Science, Home Economics, Design & Technology, Mother Tongue

WORK EXPERIENCE

UBAC Pte Ltd
From APR 2019 - AUG 2019

IT Engineer

- Completed project with Raffles Hotel during their renovation period by configuring and labelling their access point onto 115 hotel rooms.
- Assembled local area network (LAN) and wide area network (WAN) with the team.
- Organized local area network (LAN) boxes in numerical order to prevent error in configuration for each LAN.

Stone Forest Pte Ltd
From JUL 2017 - SEP 2017

IT Helpdesk

- Helped employees troubleshoot computer issues
- Performed maintenance on software system for all the users in the company
- Analyzed user's specific software requirements and assembled them with the appropriate computer hardware

CERTIFICATES

Certified Developer
Unity Certification

AWARDS AND ACHIEVEMENTS

 03/2018

National Youth Achievement
Award (NYAA) Gold

LANGUAGES

English (US)

Chinese

INTEREST

CO-CURRICULAR ACTIVITY

ITE College West
From APR 2018 - FEB 2020

Muay Thai

- Muay Thai training is really exhausting and fun at the same time. It helps me to develop self-defense tactic which I find it really helpful. Throughout the process, I was able to gain more courage, determination, focus and confidence that changed me into a better person.

ITE College West
From JAN 2016 - APR 2018

Fun Go-Kart Club

- This club taught me how to fix kart and wheelchair. There will be events that given me an opportunity to visit community and engage with the elderly and repairing their wheelchair which I find it really meaningful

Greenridge Secondary
From JAN 2013 - DEC 2015

Basketball

- Basketball is one of my favorite sport as I am a competitive player. This sport improves my endurance, stamina, reflexes, and alertness.
